

AXA PLEDGES RM50,000 HOME SANITISATION BENEFIT TO ENSURE A SAFER HOME FOR YOUR FAMILY

Our priority has always been to safeguard the safety and well-being of our customers.

As part of our continuous effort to provide a safe living environment and better protect our customers during these challenging times, we are glad to announce that we will be offering **special Home Sanitisation benefit up to RM1000* to all AXA new and existing home insurance customers, starting from 1st October 2020 to 30th September 2021.**

If our home insurance policyholders or any of their immediate family member living in the insured home is diagnosed with COVID-19 during the campaign period, we will reimburse the home cleaning and sanitising expenses up to RM1,000. This special benefit is limited to the **first 50 claimants only**. The benefit will end once it has been fully redeemed or at the end of the campaign period, whichever comes first.

Terms & Conditions:

- 14 days waiting period for New Business, i.e. there is no Home Sanitisation benefit for the first 14 days from inception.
- The home to be sanitised must be the insured property where the policyholder and immediate family member(s) are staying.
- Immediate family = spouse, children and parents
- Only one claim per policy
- Home Sanitisation benefit is limited to the first 50 claimants only
